

CLEARFIELD 31, PHILIPSBURG 0

Bisons Remain Undefeated; Lead 1st Downs, 13 - 4

The Bisons became a thundering herd last night as they humbled Philipsburg, 31-0, before 3,500 cheering fans at the Park.

The Philipsburg eleven threatened seriously in first quarter, marching 69 yards to the Bison two, but the Clearfield defense tightened and the visitors did not pass. They calmed down somewhat in the second quarter, held the Bisons from scoring in the third quarter but collapsed in the fourth quarter as the Bisons scored three times.

The Bisons made their gains through the line, although the passing attack was clicking also, as four aerials were completed in seven tries. Philipsburg could do nothing on the ground but started with a passing attack which clicked until Clearfield started knocking them down. For the complete game, only six of Philipsburg's 22 passes were completed and three were intercepted—one by Hubler for a touchdown.

After an exchange of kicks opened the game, Clearfield returned the ball to the Philipsburg 46 yard line where with Lynch and Miller carrying the ball, six plays took the ball over. Lynch who made two first downs in the drive, went through a huge hole in the right side of the line to sprint 18 yards for the first tally. Miller's try for the extra point by placement was low.

Taking the next kickoff on their own 30, Philipsburg completed two consecutive passes, one from Stein to Hummel on Clearfield's 30 and another, Stein to Peightal, on the 19. A reverse, Gearhart to Stein, a pass to Pezalski and a lateral to Myers, all mixed up in one play gave the visitors a first down on the Bison two-yard line.

But after three plays, the Bison line had thrown Philipsburg back one yard and an incomplete pass into the end zone ended Philipsburg's only serious threat.

In the second quarter, Clearfield started an 81 yard march when Jack Miller barged through the line from his own 16 to the 46 yard line. A reverse Jack Miller to Brother Bill, the latter passing to Cramer, earned another first down on the Philipsburg 30 yard line.

Bill Miller then heaved a touchdown pass to Woodring who dived across the goal line for the second

tally. Miller was chased back almost to midfield before he let go with the pass. Bill Miller's placement was good.

The Bisons started a 70-yard touchdown march in the third quarter which they didn't finish until the fourth quarter arrived. With Stan Lynch and Bill Miller carrying the ball, the Bisons found themselves on the opponents' 27 yard line. Bill Miller then heaved a perfect pass which Woodring basketed on the Philipsburg one-yard marker as the third quarter ended.

Stan Lynch scored his second touchdown by plunging across the line on the first play in the fourth quarter. Bill Miller's placement was not good. Philipsburg then broke loose with every variety of pass they could think of in the huddle but few of them worked as can be attested by the fact that only two of their eight fourth quarter passes were completed—for a total gain of 13 yards. The Burgers gained only three yards on the ground in the last half of the game.

Trailing 19-0, Stein stepped behind his own goal line after his team had put Rougeux's kick in play on their own nine yard line mark. But his heave turned into a Clearfield touchdown when Hubler fell on the blocked pass for six points.

With Philipsburg on the run, Coach Bill Gutterton sent many substitutes in for a work out. As the game drew to a close, spectators saw almost the same team on the field which last week played to a 0-0 tie with Philipsburg J. V. Only Jack Miller was represented from the first line varsity.

But first, second, or third team—the boys were having their fun. Doty Mitchell broke loose with some smooth runs after Jack Miller intercepted a Stein pass which was intended for Hummel and was downed on Philipsburg's 39. In two plays, Mitchell reached the 20-yard line; Jack then passed to the 12 yard line with Stiffler as the receiver. The younger Miller brought an end to the evening's scoring by strutting wide around left end to cross the line untouched.

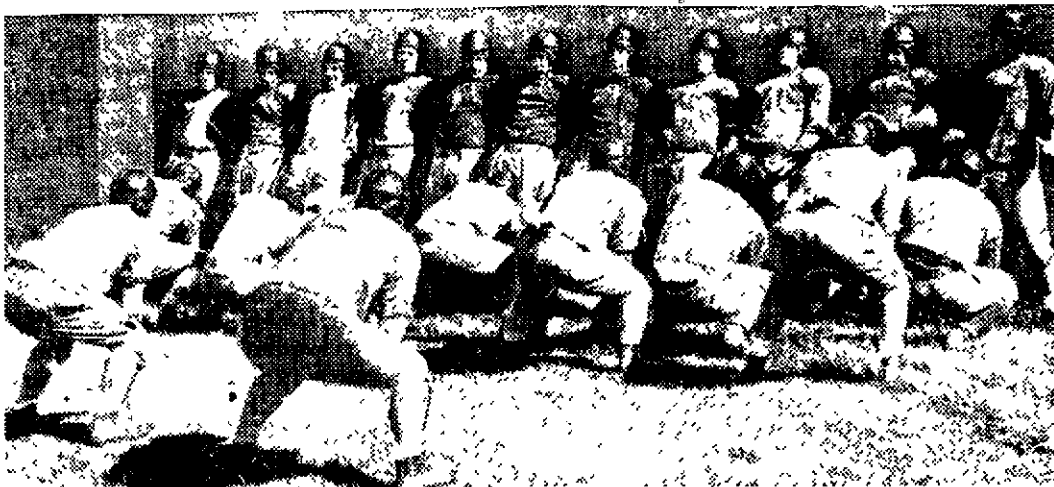

Hal Robbins stood out among some stellar Bison line play and the Bisons showed strength in every department as they romped to their fifth straight win and their sixth game without defeat this season.

IF THEY REALLY DID AS CLAIMED

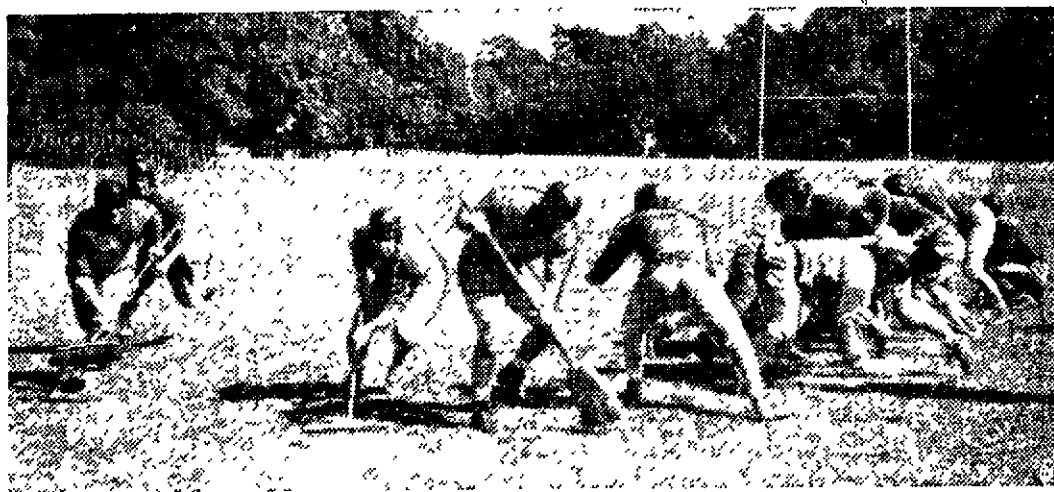

Sports writers are known for their "colorful" interpretation of football maneuvers. In order to explain things for those who may be in the dark, Villanova College gridders reveal just what the scribes mean.

ANSWER: Four. It is impossible to draw five districts on a map in such a manner that each one is touched by all the others along a line.

STYLE NOTE: CORSETS COMING BACK

Corsets are in vogue again for lady, so the task, left, will be a familiar one. But who believed a strapping 200-pound footballer like Ken Strong, right, would succumb. Strong's corset at least has the advantage of being a front-lacer. It's a special job designed to help the famous oack's sprained back. Trainer Gus Mauch of the New York professional Giants serves as valet.
